

A photograph of a dog, possibly a collie or similar breed, standing on a rocky shore. The dog is facing right, looking out over a large body of water. The dog has brown and white fur and is wearing a blue collar. The rocks are dark and covered in orange and yellow lichen. The water is calm and reflects the sky. In the background, there is a line of trees on the far shore.

The ultimate interactive fetch toy

You don't have to pick up a slimy tennis ball, you can play tug of war, it's easy to throw, it's easy to see where it goes, it bounces all over, it squeaks when your

dog picks it up, and when your dog shakes it back and forth, the tails slap him or her in the face which is great fun – for a dog.

Say "Wubba Wubba" when you play. It means something fun in dog.
